## It's time for May flowers, and lobster

The temperatures are warming, spring flowers are beginning to peak out of the ground. It's time for yard cleanup and spring cleaning.

Residents are also encouraged to pick up the garbage in the ditches in front of and near their homes.

Please help to keep our community clean.

We wish fishermen and their crews a safe and bountiful lobster season.

The season opens Saturday, April 30 at 6 a.m.

You can enjoy your first taste of lobster on Sunday, May 1.

## Be a volunteer!

The Tabusintac Nursing Home is looking for volunteers.

If you would like to be a volunteer, please contact Amy Hill at 779-4116.

You do not need a specific talent, you just need to want to have fun.

You can help with gardening, reading, crafts, take the residents out for a walk and enjoy the benefits of exercise as well.

You can enjoy shopping trips, outings, lunches, and more.

There are lots of things you can help with to make the residents happy in their home.

## Congratulations
